## MEMORANDUM OF MOTION

April 15, 2022

### Motion Approved: Stop Sign Installation on 5th Ave at Redwood St

At its publicly noticed meeting on April 5, 2022, Uptown Planners considered a request from stakeholders in the Bankers Hill community of Uptown to realign stops signs in the Bankers Hill area to install a stop sign northbound on 5th Ave at the intersection of Redwood St. After consideration of a presentation by Mr. Michael Meacham of the Alicante Owners Association, along with a submission of a petition with over 300 signatures of community members in support, Uptown Planners approved the following motion:

1.) Uptown Planners requests that the City of San Diego place a stop sign northbound on 5th Avenue at the intersection of Redwood Street, using the alternative procedure authorized by City Council Policy 200-08, with the option for City Traffic Engineering to consider the relocation or removal of another stop sign on northbound 5th Avenue to facilitate feasibility.

The vote in favor of the motion was unanimous, with non-voting chair abstaining.
